Pauri Garhwal Uttarakhand

## ABOUT THE COLLEGE

Government Degree College, Pabau (G.D.C.) was established on 23 July, 2018. It is situated at the bank of Western Nayar. The origination of the river is from Dudhatoli range and confluences with Eastern Nayar at Satpuli, Pauri Garhwal. Our college is 28 km far from the district headquarter i.e. Pauri. Khirsu, which is very famous place for tourist attraction in Garhwal is 20 KM far from our college. The place is surrounded with panoramic view. Pabau is far famed due to its market which is called as Pabau Bazaar. It is acting as central trading point for more than sixty villages in its surroundings . Therefore, it becomes the junction point for trading. This college started functioning on July 23, 2018. Since its inception, it is one of the full-fledged constituent colleges of the Sri Dev Suman University imparting knowledge in Commerce and Arts . Vocational courses are also offered to students. The College has been in the news for its various academic and co-curricular activities like academic achievements of Students and Teachers, Innovation Projects, Govt. programmes , Sports Department, and NCC.

## ABOUT THE CONFERENCE

The Indian Knowledge System (IKS) represents India's rich intellectual heritage encompassing the Vedas, Upanishads, Ayurveda, Yoga, Mathematics, Astronomy, Philosophy, arts, and social sciences. These timeless traditions have significantly influenced global thought and continue to offer valuable insights for addressing contemporary challenges. This international conference aims to explore the historical depth, present relevance and future potential of IKS through interdisciplinary dialogue and research collaboration. By connecting ancient wisdom with modern innovation, the conference seeks to promote sustainable development, creative thinking, and holistic progress. Organized by Government Degree College Pabau, the two-day event will provide a vibrant platform for scholars, academicians, and practitioners to collectively envision a sustainable and innovative future rooted in India's glorious knowledge traditions.
